

# Poole Quarter Travel Plan

*Working with local businesses and the local transport operators, the Borough of Poole and Crest Nicholson are proud to present an innovative package of travel benefits, designed exclusively for the residents of Poole Quarter. This is known as the Poole Quarter Travel Plan. Comprehensive and fully integrated, the Travel Benefits Package contains some amazing offers.*

## The Route ONE Bus Service

Linking Poole Quarter to the Town Centre, Poole Quay, local bus and rail stations and the hospital, the Route One is a low floor bus service with level access for people with pushchairs or who use wheelchairs. The Route One services operate Monday to Saturday, with the round trip taking under 25 minutes.

- Frequent service every 15-20 minutes
- Fixed fare for unlimited use
- Bus stops within easy walking distance from the development
- Bus arrival information displayed at bus shelters

## Cycle Routes & Parking

Poole Quarter is designed to provide easy access to the Town Centre and to local shops, parks and services on foot and by bicycle. There is a marked-out central cycle route, which crosses Seldown Bridge Road at a signal-controlled crossing, and links through to Baiter Park.

There is secure underground parking in each main apartment block, which is well lit and equipped with stands and which will soon also be provided with cycle pumps for use by Poole Quarter residents. Visitors can use the public cycle stands located throughout the site, or the secure cycle parking area, if met by a resident.

## Car Club

Poole is home to Commonwheels Car Club, providing residents with the use of a brand new community car. The Car Club allows residents to hire this vehicle as and when required, at an affordable low cost. There is currently one new fuel efficient car available on the site, however further cars will be available as demand increases. Ideal for a day trip out, shopping or special journeys, residents can save on car ownership and running costs with the Poole Quarter Car Club.

## Car Sharing Scheme

Open to residents and people living in the area, users of the car sharing scheme can halve the cost of getting to work, save money on parking, meet new people and help the environment.

## Voucher & Discount Scheme

Two £50 Travel Vouchers will be issued to every household in the Poole Quarter development upon the purchase of a property, which can be used towards local transport initiatives including: Bus travel, rail travel, bicycle and/or safety equipment purchases at local shops, Poole Quarter car club membership.

Details on the businesses accepting these vouchers and providing commercial discounts are available in the Travel Plan Information Packs issued upon purchase of a property from Crest Nicholson, and via the below website

## Local Highway Improvements

As part of the Poole Quarter scheme, Crest Nicholson have contributed to the funding for improvements to local roundabouts to help ease traffic flow and to increase the safety of pedestrians and cyclists. In addition, a new lay-by has been constructed on Newfoundland Drive where visitors can park under a pay and display system now operated by Poole Borough Council.
